SLIKR BARBER APP

The latest barber app from SLIKR is something different and needs to be seen. It combines walk-in's and a form of booking called "Queue Ahead". SLIKR is much more for barbers, it streamlines customers, payments, mobile apps and reporting in one system. The best part - it is free for shops, we charge clients a small booking fee for mobile check-in's. It will smooth the flow of clients letting you get more cuts in the day and less pressure on barbers. Times are changing and barbershops need to move with their clients so get on-board early, book a demo today and see the future.

MANUELLE BARBER CHAIR

The newest member of the family this chair is built with our high manufacturing standards and built to last way beyond its 5 year warranty period. As with all our Barber chairs every detail been refined for maximum efficiency and performance. Yes I know it's not a race car however there are a lot of moving parts and if you have just 1mm of free play in each one you end up with a very floppy clunky chair.
